

Stansted Airport College
Part of Harlow College

UP FOR THE CHALLENGE?

Stansted Airport College in partnership with Essex2020 are inviting you to get involved with British Science Week testing your existing engineering skills!

Hello! Let us introduce ourselves ... and the challenge!

THE 5 CHALLENGES

All of these challenges use simple equipment that you should be able to find at home. Click on each challenge to find out more!

Wind Cup

Ball Slide

Sticky Balls

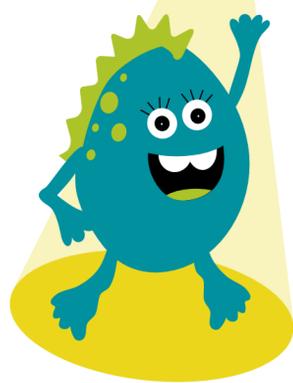

Leave The Joker Standing

Nut Stack

ADDITIONAL CHALLENGE

Fancy a bit more of a challenge? Try this one out for size!

Egg Catcher

THE PRIZES

We'll pick the best submissions from each school that enters to win a prize!

First prize: Amazon voucher & goody box

Runners Up: Goody box

HOW TO GET INVOLVED!

We hope you've been inspired - now it's your turn! Once you've set up your challenge, we'd like you to film yourself completing it (it should be no longer than a minute) and share it with us!

If you upload your video to your social media, remember to tag us and your school!

@StanstedColl

@stanstedairportcollege

/StanstedAirportCollege

Remember to use the hashtags #minutechallenge #upforthechallenge #BSW2021

Please only send us your submissions through the channels listed above. By sending us your submission you are agreeing to your video being shared on our digital channels, including social media and website and used in our school assembly presentations. Entries submitted after March 22 2021 will not be counted. Please ask for your parent/carer's permission to take part before submitting an entry.

HOW TO EMAIL YOUR SUBMISSION

The easiest way to share your submission is to email:

marketing@harlow-college.ac.uk
